2995 Curry Road Extension  
Schenectady, NY

*Cost:* \$100 (limited partial scholarships available)

*RSVP/Questions:* Vicki Michela, M.Ed. 640-3327

*Friendship Camp is a small social skills group for school-age children who are verbal and able to participate in activities such as role-playing and group discussion. A group will be formed based on compatible ages and needs of those responding to this announcement. We will work on the specific needs of the participants in areas such as beginning and ending conversations and reading body language. Cooperative group skills will be demonstrated and practiced through an outdoor game and a light snack. We promise to have FUN too!*
